

Data Bank of Jute, Kenaf and Allied Fibers

International Jute Study Group

CONTENTS	PAGE
1. Chapter 1: Jute Agriculture	3- 19
a) Production	3- 7
I. Production of jute in different countries	3
II. % of jute production of different countries to the global Production	4
III. % of jute production to the total agricultural production of different countries	6
b) Area under cultivation	8- 12
I. Area under jute cultivation in different countries	8
II. % area under jute cultivation to the total land area in a country	9
III. % area under jute cultivation to the total agricultural area in a country	11
c) Productivity	13
d) Seed requirement	15
e) Rice jute production ratio	16
f) Rice- jute area under cultivation ratio	18
2. Chapter 2: Jute Industry	20- 27
a) Production	20- 26
I. Combined production of jute products at different countries	20
II. Production of different jute goods at different countries	20
III. % of different jute goods production to the total jute goods Production	23
b) Information related to jute industry	27
3. Chapter 3: Jute Trade	28- 80
a) Import of raw jute	28- 32
I. Import quantity of raw jute by different countries	28
II. Import value of raw jute by different countries	29
III. % import value of raw jute in total merchandise import value of different countries	30
IV. % import value of raw jute in total agricultural import value of different countries	31
b) Export of raw jute	33- 37
I. Export quantity of raw jute by different countries	33
II. Export value of raw jute by different countries	34
III. % export value of raw jute in total merchandise export value of different countries	35

IV.	% export value of raw jute in total agricultural export value of different countries	36
c)	Export price of raw jute	38
d)	Import of jute products	39- 60
I.	Combined import quantity of jute products	39
II.	% import quantity of jute products to the global jute products import	40
III.	Import quantity of different jute products	41- 50
IV.	% import quantity of different jute products in the world	41- 50
V.	% global import quantity of different jute products to the combined jute products import	51
VI.	Import value of different jute products	51- 60
VII.	% of import value of different jute products in different Countries	51- 60
e)	Export of jute products	61- 79
I.	Combined export quantity of jute products	61
II.	% export quantity of jute products to the global jute products export	62
III.	Export quantity of different jute products	63- 71
IV.	% export quantity of different jute products in the world	63- 71
V.	Export value of different jute products	71- 79
VI.	% of export value of different jute products in different Countries	71- 79
f)	Export price of different jute products	80
4.	Chapter 4: Jute Market	81- 86
a)	Local market price of raw jute	81
b)	Consumption	82- 86
I.	Raw jute consumption of different countries	83
II.	% of raw jute consumption of different countries to the global consumption	84
III.	Jute products consumption of different countries	85
IV.	% of jute products consumption of different countries to the global consumption	86

Chapter 1: Jute Agriculture

1.1: Production

Table 1.1.1: Quantity of jute production (in tonne):

2.2: Information related to Jute Industry

Table 2.2.1: Information related to jute industry in different countries at recent years:

Countries	No. of jute mills	Labour force	No. of installed looms	No. of installed spindles
Bangladesh	227 (spinning- 88)	156,549	20,181	175,114
India	84 (composite)	208,587	49,529	

Countries	Average production in jute mills per annum	JDP manufacturers	% of jute sector in GDP
Bangladesh	663,000 tonnes	No. of SMEs- 604 No. of workers- 50,000	4%
India	1,526,000 tonnes	No. of artisans- 140,000	0.0315%
